

OMI Senior Center holds annual Lunar New Year celebration

Description

default watermark

The Ocean View-Merced Heights-Ingleside Senior Center held its annual Lunar New Year celebration on Tuesday, Feb. 27. The full dayâ??s program included OMI seniors performing New Yearâ??s songs in English and Chinese, dances by the San Francisco Guangchang Line Dancing Group, a raffle, and a sumptuous 17-course lunch. After lunch, a troupe of retired members of the San Francisco Police Departmentâ??s Lion Dance team entertained the crowd, who happily followed them around the hall. The troupe has been performing for 30 years and certainly knew how to work the crowd, many of whom clustered around the two lions with their iPads and smartphones. (Photos by Judy Goddess)
