

Beauty is in the eyeglasses of the beholder; retireeâ??s eclectic style requires many pairs

Description

default watermark

Mary Novie, seen at an SF Jazz concert with her granddaughter Autumn, says her style is classic but eclectic. The 70-year-old confesses to be an eyeglass junkie. She has many pairs, she said. It doesnâ??t hurt that the retiree works part-time at OPT Optometric on Valencia Street. As for clothing, she shops at boutiques such as UKO in Hayes Valley and Ruti on Fillmore as well as UNIQLO and Zara.
